## Kidnapped by Majic - audio-book

USD 10.00

Wen's train ride home ended in a completely different dimension and her life changed forever. Ulmuswood is a realm of wonder and enigmas, yet Wen remains skeptical of the existence of magic. In her efforts to disprove its existence, her spell unintentionally draws the attention of the authorities with its explosive force. Seeking refuge in the depths of the magical forest with Brin, Wen learns to harness her own powers and properly wield spells. However, the true rulers of the town are in hiding, causing unrest among the populace. Wen's companions urge her to assist in restoring the legitimate leaders, but she hesitates, uncertain of the role her newfound magic will play.

## Dilunar - Moon of Danger

USD 4.99

The inhabitants of Dilunar, a treacherous moon, reside underground. Anaria fulfills her vow to her Shaman mother and is transported from her home planet to Dilunar, but the rulers are displeased. They doubt Anaria's ability to relocate their people to a safer moon because she is not a formally trained Shaman. However, Leion disagrees with his colleagues and forms an alliance with Anaria to devise a strategy for moving the inhabitants. If they are unsuccessful, the entire population of Dilunar faces certain death.
